

HistoSpring Core Price List

Processing & Embedding

	Internal	Academic	External
Process only (per block)	3.75	5.00	5.50
Process & embed only (per block)	5.25	6.90	12.50
Dissection for processing and embedding (per hour)	39.00	51.00	67.00

H&E Staining (from frozen or paraffin)

	Internal	Academic	External
H&E Only - Customer provides slides (per slide)	2.50	3.30	5.00

Paraffin Sectioning

	Internal	Academic	External
Unstained slides from an existing block (1 section per slide)	2.50	3.00	5.00
Unstained – Multiple paraffin sections (each additional section on 1 slide)	1.00	1.25	2.00
Unstained – Multiple sections (new slide each section)	0.70	0.95	1.20

Frozen Sections

	Internal	Academic	External
Mandatory consultation for all new frozen work (per hour)	39.00	51.00	67.00
Snap freezing (OCT), embedding for samples (per block)	12.00	16.00	24.00
Cryosectioning (per hour)	43.00	57.00	75.00
Supplies (per slide)	1.85	2.50	3.25

Special Staining

	Internal	Academic	External
Staining (per hour)	40.00	52.00	68.00
Reagents & supplies		Costs Vary	

Immunohistochemistry

	Internal	Academic	External
Bond (autostainer per slide)	22.00	28.00	40.00
IHC by hand Labor (per hour) – includes overnight incubation	39.00	51.00	67.00
Reagent Cost		varies	
Client responsible for cost of primary antibody		varies	

Immunofluorescence

	Internal	Academic	External
Bond – 1 antibody (paraffin) (per slide)	26.00	35.00	52.00
Bond – 2 antibodies (paraffin) (per slide)	27.00	36.00	48.00
Bond with TSA (best for multiplexing) (per slide)	32.00	43.00	60.00
IF by hand Labor (per hour)	39.00	51.00	67.00
IF Frozen by hand – 1 antibody (per slide)	2.50	3.25	5.00
IF Frozen by hand – 2 antibodies (per slide)	2.75	3.75	5.50
IF Paraffin by hand – Supplies only (base cost per slide)	3.50	4.60	7.00

Slide Scanning

	Internal	Academic	External
Image Scanning 20x (small area)	8.40	11.00	15.60
Image Scanning 20x (large area)	10.25	13.60	17.80
Image Scanning 40x (small area)	10.25	13.60	17.80
Image Scanning 40x (large area)	15.75	20.75	27.00

Image Analysis (HALO AI)

	Internal	Academic	External
Labor Image Analysis (per hour)	105.00	138.00	180.00
Consultation (per hour)	90.00	118.00	155.00

Laser Capture Microscopy (LCM)

	Internal	Academic	External
Labor (per hour)	75.00	100.00	130.00
Supplies		Varies	

Updated as of July 23, 2026 – pricing subject to change at any time.

Consultation Fees

Histology Consultation
Expedited service request

Internal	Academic	External
69.00	90.00	120.00
20%	20%	20%

Common Supplies

Cassette
Slide Boxes

Internal	Academic	External
0.7	0.95	1.40
23.00	32.00	40.00

Shipping

* Any Dako FlexKit usage will increase cost - contact HistoSpring for additional info

* Antibody optimization required

Client is responsible for all shipping costs

Tissue Procurement Services

Tissue Collection (Breast & Ovarian Registries)

Fresh tissue collection (per sample)
Snap Frozen Tissue
Section of paraffin tissue (3-6uM) from Tissue Registry (per section)
Section of paraffin tissue (7-20uM) from Tissue Registry (per section)
Primary breast epithelial cells (per sample)
Conditionally immortalized HMEC cells (per sample)
Fresh spheroids
Organoids (per line)

Internal	Academic	External**

Contact Us For Pricing

In order to partially cover operational and personnel costs a nominal fee will be charged to investigators utilizing biorepository services.

This helps cover costs related to procurement, processing, storage, and distribution of biospecimens needed for cancer research.

Projects are assessed and fees are determined on an individual basis.

Custom Collection

(Requests for specimens are reviewed to ensure the availability of tissues)

Fresh tissue collection (per sample)
Snap Frozen Tissue (50mg)

Blood Collection (Banked from Registry)

Blood - Unprocessed
Blood - FTA spots (per spot)
Blood - plasma or serum (0.2mL)
Buffy coat (0.1mL)

Custom Collection *(Requests for specimens are reviewed to ensure availability of tissues)*

Blood - Unprocessed
Blood - plasma or serum (0.5mL)
Blood Specimen Processing

IRB/HRPP

IRB Assistance (per hour)

Internal	Academic	External
90.00	120.00	160.00

***We support academic & clinical researchers by evaluating requests for access to tissue biospecimens to meet specific research needs. Access for industry partners is considered on a case-by-case basis in accordance with institutional policies.*
